## **Coffee Filter Flower Vinok Workshop**

A vinok, or Ukrainian flower crown, is a headpiece that consists of fresh, waxed, or paper flowers woven together with ribbons hanging down from the back. The vinok is a symbol of the rising sun, purity, and fertility. The word vinok is a derivative of a Ukrainian word "vinchannya" meaning a wedding ceremony. While traditionally, the vinok was worn by young, unmarried Ukrainian women, it has in recent years become a modern symbol of Ukrainian national pride and is worn by many.

**In this workshop, young artists will learn about the history of the Ukrainian vinok flower crown and create their own vinok using a marker dyed method.**

## **Crafts for Kids with the UHEC**

Sunday afternoon workshops will provide a hands-on opportunity for kids to learn about Ukrainian art, culture and history based on objects found in the UHEC Museum Collection. Participants will go home with a craft at the end of the workshop. Suitable for grade school aged children.
